“Make a Sister Pact”

Did you know...

Rates of breast cancer among African-American women in the US are increasing. There are areas of Milwaukee where women are nearly twice as likely to die from breast cancer as women living in surrounding neighborhoods.

The Sister Pact program is focusing on areas with high levels of disparities, including zip codes: 53205, 53206, 53208, 53210, 53213, 53216, and 53233.

Please join us to learn more about the Sister Pact campaign. In addition, we'll have materials available for you to share with your Sisters, Friends, Family and Church Members.
