

Virtual Wellness Wednesday Community Conversation

**Join us for a virtual
conversation to celebrate
the gift of life!**

Dec. 2, 1:00-2:00 p.m.

From cancer screening and awareness, to personal experiences with diagnosis and treatment, to navigating the health care system and coping with cancer during a pandemic.

This webinar will focus on:

- Access to cancer screening through Aurora Family Service's Wisconsin Well Woman Program – Social Work Navigation
- Cancer Survivorship
- COVID-19 cancer screening safety measures and the importance of cancer care screening
- Self-Care and mindfulness

Faith leaders, congregation members, community members, caregivers and those impacted by cancer during the pandemic are encouraged to register for this free event.
