

# Youth Cancer Support Group

For children ages 5-12 with a loved one affected by cancer

## What is it?

Our staff will provide a safe, warm and welcoming environment for children who have a loved one affected by or battling cancer. At this support group, they will build relationships with others going through similar experiences, learn all about cancer, and how to manage and explore their feelings surrounding it.

## What we will provide:

- Education on cancer, what it is, how it affects their loved one.
- Education on positive and healthy coping tools and how to use them.
- A supportive and safe space for children to share their thoughts and feelings.
- Opportunities for therapeutic and normalization activities.
- Peer to peer support.

**First Tuesday of each month**  
**6 to 7:30 pm**  
**Cost: Free**

**HSHS St. Vincent Hospital**  
835 S. Van Buren Street
