### 2025 COLLABORATION HIGHLIGHTS

In 2025, the Wisconsin Cancer Collaborative was fortunate to collaborate with partners from all across the state. **Here are a few project highlights from this year!**

#### ASHLAND, WI

**Goal:** Elevate treatment and survivorship services offered by Northwest Wisconsin Cancer Center at the Hayward regional meeting

**Partner:** The Northwest Wisconsin Cancer Center of Tamarack Health Ashland Medical Center in Collaboration with Essentia Health

#### BOWLER, WI

**Goal:** Raise awareness about relevant cancer topics in Native communities by supporting the 2025 Share the Care Indigenous Cancer Conference

**Partner:** Stockbridge-Munsee Community, UW Carbone, American Cancer Society, Pink Shawl Initiative, and various tribal partners

#### WISCONSIN RAPIDS, WI

**Goal:** Provide relevant lung cancer data and education about the connection between lung cancer and radon exposure at the 2025 Wisconsin Radon Conference

**Partners:** DHS Radon Program

#### LA CROSSE, WI

**Goal:** Increase HPV vaccination rates in La Crosse undergraduate students

**Partners:** Scenic Bluffs Community Health Centers, UW-La Crosse Health & Wellness, Mayo Clinic, and Merck

#### WISCONSIN DELLS, WI

**Goal:** Present at the 2025 Building the Heart of Successful Schools Conference on tobacco prevention best practices in school settings

**Partners:** Wisconsin Department of Instruction

#### OSHKOSH, WI

**Goal:** Increase provider awareness of the unique needs of pediatric palliative and hospice care patients by coordinating a panel for the 2025 Wisconsin Hospice and Palliative Care Association Conference

**Partners:** The MACC Fund, UW Health, and Unity Hospice

#### MILWAUKEE, WI

**Goal:** Provide education to community health workers on cancer prevention, screening, and survivorship

**Partners:** Milwaukee Area Health Education Center and American Cancer Society

Thank you to all of our amazing partners! Looking ahead for 2026, we'd love your help in making more connections all over the state - especially in the Northern region!

Please reach out if you have a project you'd like to partner with us on!
